

Student Complaint Information by State

Students should follow the complaint process established by Bastyr University, as published in the Student Handbook.

If the institutional complaint process remains unresolved, students should then contact the Washington Student Achievement Council (WSAC), the University's responsible state agency, at <https://wsac.wa.gov/student-complaints>.

California students may also contact the Bureau for Private Postsecondary Education at any time to file a complaint. A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 or by completing a complaint form, which can be obtained on the bureau's internet website: <https://www.bppe.ca.gov/> (also listed below).
